

Press Coverage of HVE Initial Release

We were very pleased to have some press coverage of the initial limited release of our HIVE CAPTCHA replacement technology:

Dave Martin, TheNewsRemixed (Fox News Orlando)

- http://www.myfoxorlando.com/dpp/news/news_remixed/102811-News-Remixed-CAPTCH-A-Rants

Vito Piliéci, The Ottawa Citizen

(Note: these two stories have lapsed, We'll be posting archived .pdfs soon)

- <http://www.ottawacitizen.com/technology/Reality+check/4852929/story.html>
- <http://www.leaderpost.com/technology/Reality+check/4852929/story.html>

Knowlton Thomas, TechVibes

- <http://www.techvibes.com/blog/ontarios-sharethink-aims-to-replace-captchas-with-hives-2011-05-31>

HIVE has since been rebranded as [VouchSafe](#) , and is now available to the general public in an open beta.
